**Re : ZDHC (Zero Discharge of Hazardous  
Chemicals ) certification**

This is to certify that “**Broadase Abra N768**” does not contain below “11 priority chemical groups” and also comply to the chemical restriction standards required by “Zero Discharge of Hazardous Chemicals (ZDHC)”, ZDHC MRS L V1.1 Dec. 2015

- 1) Phthalates (ortho-phthalates)
- 2) Brominated and Chlorinated flame retardants
- 3) Azo dyes (Those Azo dyes that may release carcinogenic amines as defined in Annex XVII of REACH)
- 4) Organotin Compounds (e.g. TBT)
- 5) Chlorobenzenes
- 6) Chlorinated Solvents
- 7) Chlorophenols
- 8) Short-Chain Chlorinated Paraffins (SCCPs)
- 9) Heavy Metals (cadmium, lead, mercury, chromium (VI))
- 10) APEO's/NPEO's
- 11) Perfluorinated Chemicals (PFCs)

Certified True & Correct.
